This will be the eleventh annual Louada sale . . . and, we believe without question, it is the strongest offering Louada has ever presented. We are pleased this event has become a place where breeders from all over the world can meet and renew friendships. The crowd attending the Louada sale is the most discerning cattle audience of the year . . . and we want you to continue to expect the very best from Louada and to appraise the cattle with the most critical eye. We shall try never to disappoint you.

The past . . . the heritage left by such sires as Bapton Constructor . . . is very much a part of our present and future. Of equal importance has been the success of Louada Rothes King. This will be the second full crop by him and there are great potential stock bulls among the 11 sons being sold. We are also very anxious to show you the first calves by Denend Constellation and M S U Wonder 5th.

The cow herd has never been stronger. We are in a position to offer the kind of females this year that even a few years ago we could not consider selling. And this year we are selling many bred to Louada Rothes King.

Our greatest pleasure is welcoming you to Louada.

Prater

Each year Louada puts back into the herd a group of outstanding replacement heifers. This is the only reason Louada can spare the kind of foundation cows being sold in this sale. Above, you see a portion of the replacement heifers for this year, mostly daughters of Louada Roth's King.

Sale Information

TIME AND PLACE . . . Monday, October 25, 1965 at Louada Farms, 20 miles north of Peterboro, approximately 100 miles from Toronto.

TRANSPORTATION . . . From Toronto the Canadian Pacific runs frequent trains. Toronto is reached easily by any means of transportation. If you wish to be met in Toronto we will be happy to do so, but please let us know sufficiently in advance. See page 81 for more detailed information.

HOTEL ACCOMMODATIONS . . . Sale headquarters will be the Rock Haven Motel and the Tops Motel. You may write them directly telling them you are attending this sale, or write to Wilbur Wonalldson, Louada Manor Farms, R 1, Peterboro, Ont., who will be glad to make reservations for you. Other good motels are the Golden Nugget and the Kawartha. All are excellent and all are located on Highway 28 south of Peterboro. We also recommend The Empress Hotel, Peterboro. Transportation from all these will be provided to and from the farm.

AUCTIONEERS . . . Jock Blacklock, Saskatoon, Sask.; Don Smock, Whiteland, Indiana.

GARANTEE . . . All cattle will be sold under the Standard Guarantee endorsed by the American Shorthorn Assn.

HEALTH . . . All cattle will be sold under the laws of Ontario and will comply for entrance to the United States. Official calf-hood vaccination for females is practiced and the herd is Accredited for T.B. and Certified for Brucellosis.

TERMS . . . The terms of this sale are cash. Checks should be handed to the clerk immediately following the auction. Please be sure to have the clerk record your shipping instructions. All announcements at sale time, written or oral, supercede any written material in this catalog.

LIABILITY . . . Louada Farms, its owners or employees accept no liability for accidents that may occur. Accidents at cattle sales are very rare, but all attending must do so at their own risk. The sale manager, auctioneers, and clerks were employed by the owners for specific tasks promotional and clerical and have no connection with the handling of the cattle, the condition of the premises, fulfillment of guarantees, or health papers. The sale of each animal constitutes a contract between the buyer and seller of each lot.

LUNCH . . . A ladies church organization will have lunch available sale day.

FOR FURTHER INFORMATION ON SALE CATTLE. The farm manager or sale manager will give you his critical appraisal of any of the cattle listed in the auction.

MAIL BIDS . . . We hope it will be possible for you to attend this sale. If it is not, there are many competent representatives to whom bids may be sent, all of whom will be attending the sale:

E. H. Stoltz, Canadian Shorthorn Ass'n, Gummer Bldg., Guelph, Ont.
C. D. Swaffar, American Shorthorn Assn., 8288 Hascall Street, Omaha, Nebraska.

Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill.
Warren Morse, Corn Belt Livestock Journals, Union Stockyards, Chicago, Illinois.

C. K. Tomson, Harding & Harding, Geneva, Illinois.
Harris Simons, The Shorthorn World, 16 So. Locust St., Aurora, Ill.
Ed Huff, Livestock Breeder Journal, Culpeper, Va.

Al Hamann, Rock Rapids, Iowa.
W. L. Elliott, Secretary, Ontario Shorthorn Club, R 4, Guelph, Ont.
Gene McDonald, The Shorthorn World, 16 So. Locust St., Aurora, Illinois.

H. W. Walker, 3906 East 71st Street, Indianapolis, Ind.
or to any of the auctioneers listed, the owners or employees of Louada.

All these representatives may be reached at the Farm Phone listed above within 24 hours of the sale.

INSURANCE . . . Will be available at the sale.

DELIVERY . . . Louada Farms will hold any purchases in this sale free of charge and make free delivery to Chicago, Buffalo, or Toronto. Here buyers can usually arrange further group transportation to get their cattle home at minimum cost.

Louada Farms reserve the right to select from the bull offering members for its show string without any further announcement and to keep them until after the International.

PREMIUM ON U.S. DOLLARS . . . The U.S. dollar in Canada is at a premium of about 7% in Canada and this exchange differential more often than not pays the buyer's cost of getting animals home.

Be Sure to Arrive by Sunday

Sunday . . . the day before the Louada sale . . . is set aside for the kind of relaxation you enjoy most. Roam the pastures at Louada . . . see all there is to see . . . enjoy the companionship of fellow Shorthorn breeders from all walks of

life . . . from all over the world.

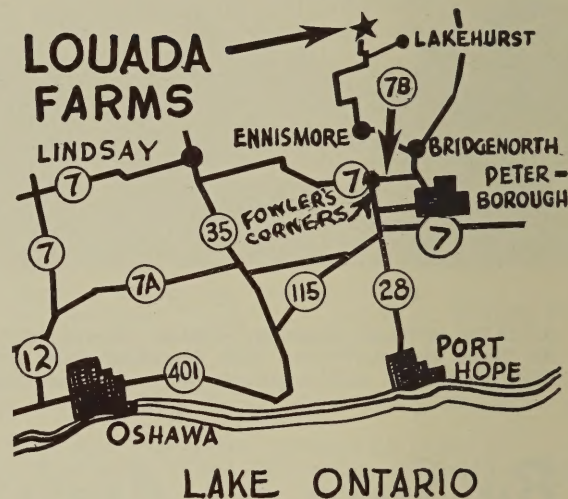

There is more to see at Louada this year than ever before. Don't leave it to a couple of hours sale day morning. In the evening join us all at the lodge for a buffet dinner.

Expressway 401 across Ontario is completed. This means you can drive across Ontario with ease and make good time. Coming from Detroit, go over the bridge (not through the tunnel). West and south of Detroit are fine expressway roads connecting with the Michigan, Ohio, Indiana, and Illinois turnpike systems. From Ohio and farther east study the turnpike systems which lead through the Buffalo and Niagara Falls area. Many of our friends in the Midwest will be able to get on expressways in Illinois and Ohio, for example, and stay on them until they turn north off 401 to Peterborough.

PETERBOROUGH AREA

From junction of 7 and 28 continue north on 7 to Fowler's Corners. Do not take 28 as it goes into Peterborough. From Fowler's Corners go east on 7B about three or four miles to road leading north to Bridgenorth. Then cross Chemong Lake at Bridge-north, follow farm signs through Ennismore and on to Louada Manor Farms.

These maps are crudely drawn and are not meant to replace road maps. We feel they will be helpful, however.

Louada has bred more stock bulls in service in other leading herds than any Shorthorn herd in the world today.

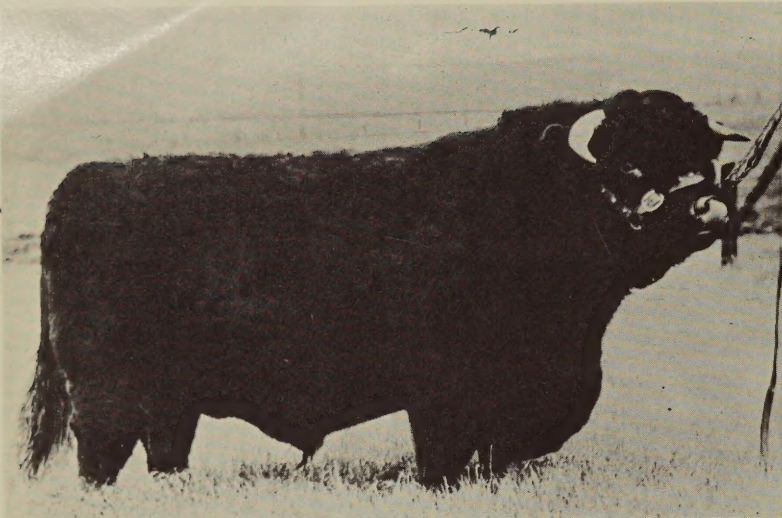

There are reasons.

No herd has been more aggressive in surrounding itself with females that could produce stock bulls. None has been more willing to pay the price for a sire. Rarely does one find an owner-manager combination with as much sus-

tained determination, year in and year out, as Lou Cadesky and Wib Donaldson.

This is Louada's best offering of both bulls and females to date. To anyone who has been to a previous Louada sale this should be enough said. To anyone who has not, it is high time you found out first hand.

Don Longley The Shorthorn World

BAPTON CONSTRUCTOR

HOW SOON CAN A GREAT BLOODLINE FADE AWAY?

Just as fast as you let it. The only way to maintain a great bloodline is to keep putting it back into succeeding generations.

How many famous bulls of the past are still a real factor in Shorthorn breeding today? We still see the influence of a few . . . like Kirkton Baronet, Calrossie Welcome, Cruggleton Perfect, Cruggleton Willingdon . . . **but in every one of these instances there was a determined program in a great herd to perpetuate the influence through the second, third, fourth and succeeding generations.**

There can be no question that Bapton Constructor was one of the great Shorthorn sires of all time. Today . . . in every corner of the world . . . Canada, United States, Scotland, Argentina, Australia, and South Africa . . . his descendants are key factors in breed improvement.

For example, at Perth this year a **son** was the supreme champion . . . while a string of **great great grandsons** achieved the top herd average. This is bloodline power that spans five generations!

But how fast can a great bloodline fade from your herd? Let us say you bought a Bapton Constructor son. Since his dam was probably of different blood he was really only 50% of the blood of Constructor. His calves, then, would carry only 25% and if you followed your Constructor bull with an outcross the calves out of those daughters you saved would have just 12½% of the blood of Bapton Constructor.

No, it doesn't take long to lose the influence of a great sire in your herd!

At Louada we have a planned program. It is twofold. We continue to blend our present bloodlines with other lines . . . and this can come through either the sire's or dam's side. In addition, we shall not lose the influence of a great line like Bapton Constructor because we will continue to reintroduce it into succeeding generations.

Louada Rothes King is a good example. He is certainly one of the great individuals and sires ever to set foot on Louada. He is 25% of the blood of Bapton Constructor through his powerful sire, Louada Bonaparte. However, in the other three lines of his pedigree he brings to us three of the greatest bull-producing families in Shorthorn history . . . the Queen of Rothes . . . the Blood Royals . . . the Tolquhon Princess (descended from A J. Marshal Princess Royals). We are having great success with Louada Rothes King on Bapton Constructor daughters . . . and King daughters and sons bred this way, as well as ones from different bloodlines, will play a role in keeping the balance we seek in the future. The same can be said for Denend Constellation and MSU Wonder 5th.

There is only one way we can really demonstrate all this to you . . . come to Louada. See the results first hand. Then ask yourself if you can afford to be without the ingredients of these potent bloodlines.

At the 1965 Perth sale, the supreme champion and top-selling bull at 10,000 gns. was Denend Ragusa, above, an own son of Bapton Constructor.

The second top-selling bull at 8,000 gns. and reserve junior champion was Ardbennie Horoscope, below, by Bapton Crocus Robin by Bapton Brave Robin by Bapton Roan Robin by Bapton Constructor . . . bloodline power that spans five generations! The Bapton Crocus Robins also achieved the top herd average.

LOUADA ROTHES KING — In 1963 we sold a few of his first bull calves . . . seven of them averaging \$3,900. In 1964 ten of them sold for an even higher average, and in 1965 we are offering the strongest quality group of his sons ever put forward . . . eleven in all. There can be no doubt that Louada Rothies King is one of the great Shorthorn stock bulls of all time. We have parted with practically none of his daughters. This will be the first year when a large number of females are being sold bred to him. He is 25% of the blood of Bapton Constructor. Through the other three lines of his pedigree he brings three of the greatest bull producing families in Shorthorn history . . . the Queen of Rothies . . . the Blood Royals . . . the Tolquhon Princess (descended from the A. J. Marshal Princess Royals). We are having great success with Louada Rothies King on Bapton Constructor cows.

Judging from his first calves . . . and they are now here . . . Denend Constellation could well be Bapton Constructor's greatest breeding son. Certainly he is the son most closely resembling him.

If we had to pick out a single highlight of 1965 for Louada it would probably be the arrival of the calves by Denend Constellation. We are selling one of his first sons just to demonstrate what they are like. A number of sale females are bred to him and some have his calves at foot.

Rear view of Denend Constellation on pasture at the end of summer.

Denend Constellation as a junior yearling.

Bred in Scotland, Denend Constellation brings us a complete outcross on the dam's side, from William Garne's highly regarded Aldsworth Pure Golds. The dam was purchased in the Portyerrock Dispersal. No bull living today has a stronger concentration of three of Scotland's most historic sires . . . Calrossie Control, Cruggleton Willingdon, and Cruggleton Perfect.

MSU WONDER 5th

Louada is always on the lookout for a bull of exceptional merit whose bloodlines can be infused into the Louada program. Such a bull is MSU Wonder 5th. His calves, both in Kansas and at Louada, prove him to be an exceptional breeding bull. He is the sire of the highly acclaimed Wonder K 9th, grand champion of the 1965 National Western and top bull of that sale at \$5,000. Louada acquired an interest in MSU Wonder 5th about a year and a half ago. Since then he has been used on a number of selected cows. His first calf to sell is Louada Roth's Scout, Lot 3, that is also destined to see service in the Louada herd.

Wonder K 9th, bred and exhibited by Kansas State University, grand champion bull, 1965 National Western, Denver; reserve grand champion bull, 1964 National Western. He sold for a Denver sale record price of \$5,000 to Elsinore Cattle Co., Almont, Colo. Wonder K 9th is a son of M S U Wonder 5th, being used by Louada.

The careful breeding program at Louada is being carried on by several young bulls as well as the world famous Louada Rothes King himself. Pictured below is Louada Standfast owned jointly by Louada and by Roslyn Flett, Oakwood, Ont. Standfast is a half brother to Louada Rothes King, both being by Louada Bonaparte. Standfast is out of the grand cow, Saltoun Princess Ruth.

Also in service at Louada is Louada Royal Leader, a son of Louada Rothes King and out of the immortal Blood Royal 33rd that just produced her 14th single calf and is still going strong.

Added to the Louada battery last fall was Ox Valley's Emperor that is owned in partnership with N. D. Hogg, Ettrick Farms, Uxbridge, Ont. He was purchased at the top of the 1964 Dave Garriott-True Buckmaster sale and is by the \$6,500 Louada Rodney that has sired most of the recent Garriott show winners and sale tops.

*. . . they must
have great mothers!*

Every good sire must inherit the right to be one . . . and this is particularly true of the dam's side. Shorthorn breeders from all over the world have universally acclaimed the Louada cow herd as one of the greats of all time.

In nearly every case at Louada you can not only see the dams of the bulls you are considering but the granddam and many other members of the family.

The strongest heritage stands behind the mother of every bull produced at Louada.

LOUADA ZENITH—One of the greatest calves we have produced at Louada. His dam is a good daughter of Constructor and his granddam sold in our 1964 sale to Tutira Farms for \$3,900. His granddam is out of the same cow as Denend March On, the second high-selling bull at Perth in 1964. He has a place in the future of Louada which accordingly retains breeding privileges.

LOUADA ENTERPRISE—The first calf from Denend Constellation and a great one. Note the breeding behind this calf. His dam is a full sister to Louada Debonair that sold in our 1961 sale to Allendale Farms. His granddam is a full sister to Louada Bonaparte, and is the dam of Louada Randolph that has been used so successfully in the True Buckmaster herd in Indiana. Blood Royal 20th is also the dam of Louada Defense in the Harold Frey herd in Saskatchewan. The third dam is our great old cow, Blood Royal 33rd, still producing at sixteen years of age.

LOUADA ROTHES SCOUT—A young calf but a great one. By M.S.U. Wonder 5th, sire of the Denver champion and high-selling bull at the 1965 show and sale in Denver. Out of the same dam as our great breeding bull, Louada Rothes King. Louada Ringleader at Lucky Clover Ranch in California, and Louda Rothes Prince at W. N. Anderson's are also out of the same cow. Since Louada Rothes Scout is out of the same cow as Rothes King, we do not feel that we would have need for this calf indefinitely. However, we wish to retain semen rights.

ALLWOOD REGAL KING—From a truly great cow that topped our spring sale of 1961. She is a full sister to Louada Barbarian, used so successfully in the herd of Lloyd Burr & Son in Iowa; also full sister to Louada Broadsword, used by the McLachlans and Park Franklin in Michigan; half-sister to Louada Galahad, Louada Battleship and Louada Beaver. The great-granddam is the fine old Blood Royal 33rd that is still producing at sixteen, having calved her fourteenth single calf in March, 1965. A great prospect for a stock bull.

ALLWOOD REGAL KING, Lot 6.

Louada Nobleman, purchased in the 1964 sale by Dr. W. L. Munson, Shalimar, Cambridge, Ill., and Down Farms, Wyoming, Ill. A month later he went on to become the International junior champion.

ALLWOOD ADVANCE—A good young calf by Louada Rothes King and out of a great daughter of Constructor. The same family that produced Louada Cupbearer, stock bull in the Sandy Cross herd. A young calf but big and growthy with lots of promise.

DENEND LUXURY CHARM—A good daughter of Glamis Benefactor. Dam is out of a sister of Millhills Champion, stock bull at Calrossie for several years. The granddam of Luxury Charm is out of the same cow as the dam of our Louada Luxury, reserve champion at Chicago in 1958, and Louada Landlord used successfully by Hollis Hanson. Has a bull calf at foot born on May 4th sired by Louada Aragon, one of the best bulls to leave here and now stock bull in the herd of Byron Reser and Sons in Washington State. Served again on July 4th to Louada Roth's King.

LOUADA AUGUSTA COLINDA 2nd—One of the few daughters of Louada Bonaparte in this country. Out of the same cow as Louada Cupbearer, stock bull in Sandy Cross' Rothney herd in Alberta. Served June 28th to Louada Standfast, the stock bull owned jointly with Roslyn Flett of Oakwood, Ontario.

LOUADA SHARON WIMPLE—By Bapton Lord Mayor, a good son of Bapton Constructor, in service in the Denend herd in Scotland. The dam of this heifer sold to Tutira in our 1964 sale and has produced for them an outstanding bull calf. A sister of Louada Sharon Wimple is the dam of Louada Zenith, considered as good a bull as ever produced at Louada. Served July 7th to Louada Rothés King.

Louada Air Raid, top-selling bull of the 1964 Louada sale. Reserve grand champion, Royal Winter Fair, 1964. Sire: Louada Rothes King. Louada Air Raid is now owned by Max L. Cardey & Sons, Atwater, Calif.

LOUADA AUGUSTA JOHANNA 2nd—A great female from a family that is doing very well for us. Her dam is a maternal sister to Louada Augusta Queen, purchased by K C in our 1959 sale, and Louada Augusta Kate also purchased by K C in our May, 1961, sale. We have a two-year-old daughter of this cow and several members of the family, so we feel that we can let her go as a special attraction. Will calve in late September to Louada Rothes King.

ALLWOOD PRINCESS PAT—A good, young cow with a grand September red bull calf by Louada Rothes King. Her yearling daughter is being retained in the Allwood herd and is one of the best daughters of Louada Rothes King. The dam of Allwood Princess Pat was purchased in the Louada sale of 1958 for \$5,000 as an open heifer.

THE ALLWOOD ENTRIES

Once again we are pleased to have as a consignor Allwood Plantation, which is owned by Leonard J. Buck, Thomasville, Ga. This is one of the most select and top quality herds in America. The six females and two bulls they are selling give clear indication of the high cailbre of Allwood's breeding program.

The Allwood cow herd was built through the purchase of the best produced here at Louada. The 1959 International reserve grand champion, Louada Cornerstone, has been a very successful sire for them . . . and, as you know, Allwood is a co-owner in our great sire, Louada Rothes King.

The 1958 International grand champion female, Louada Princess Coleen, and Louada Princess Royal 12th, top-selling female of the 1959 Louada sale. These are two of the brood cows at Allwood.

Louada Cornerstone, 1959 International reserve grand champion. An Allwood herd sire. He is the sire of Lot 32 and is also the sire of Allwood Pioneer that sired the grand champion female at the recent Minnesota State Fair for Walter Bollum & Son, Goodhue, Minn.

ALLWOOD PRINCESS PRIM—A daughter of the 1959 International reserve champion, Louada Cornerstone, and out of a daughter of Louada Landlord, used successfully in the Hollis Hanson herd. Served April 12th to Louada Rothes King.

TRAIN AND PLANE INFORMATION

By air . . . Chicago to Toronto

Trans Canada Airlines has about eight flights a day — each way — between Chicago and Toronto, leaving from O'Hare Airport. A two hour flight.

By air . . . from other points

In the eastern part of the country, there are direct flights to Toronto from New York and Cleveland. Excellent service also from the Canadian West and East.

By rail . . .

You can take a sleeper out of Chicago to Toronto and return the same way. Trains generally leave Chicago about 8 p.m. and arrive in Toronto early in the morning. The train from Toronto for Chicago leaves about 10 p.m.

By automobile . . .

The present super-highway system makes the drive a good deal easier than ever before. We would like to point out, however, that the cost of a round trip airline ticket from Chicago-Toronto is only about \$55. Rail about the same. Traveling alone it is difficult to beat this by car.

By rail . . . Toronto-Peterborough

There is good service but there are changes in schedules and we shall not attempt to give you times here. If you have traveled to Toronto by train and find that you can make a good connection on to Peterborough, it will probably be best for you to do so because it is a fast train. However, if you are to encounter a long delay, we would prefer that you call the farm (Buckhorn, Ont. A.C. 705 657-8792) and we will arrange to pick you up with others coming from the airport. Coming back from Peterborough to Toronto there are generally trains at times that will enable

you to make your connections, but in the event you cannot find a convenient connection we will see to it you have transportation to Toronto.

Meeting you in Toronto

We will be happy to meet your plane. It is about a two hour drive to the farm. Try to arrive early enough so you won't miss the affair at the farm Sunday afternoon and evening. **Please advise us in advance of your arrival time. Then you should report to the flight information desk Air-Canada.** A representative of Louada will be nearby. If you miss connections call the farm at Buckhorn, Ont., A.C. 705 657-8792.

If you are coming by train, you may find it just as convenient to continue by train from Toronto to Peterborough. However, if this doesn't work out, call the farm and we will include you in the cars coming from the airport.

Cars will also be going back to the airport after the sale.

Cars from Peterborough

If you are without transportation upon arriving in Peterborough, contact the farm. On sale day cars will leave from the motel area at approximately 8:30 a.m. and 9:00 a.m.

All train and plane information given here is approximate. Be sure to check with your ticket agent for exact times. Because schedules change we cannot quote exact times.

We urge you NOT to make your connections so close that you arrive in Toronto Monday morning.

We urge you to attend the

GLORIADALE FARMS

POLLED SHORTHORN "NEAR DISPERSION"

SATURDAY, OCTOBER 23

PORT HOPE, ONTARIO

Gloriadale Farms are about as far south of Peterborough as Louada is north, so Peterborough will make convenient headquarters for both sales.

Roy and Gloria Philp have done an excellent job in their Polled Shorthorn breeding program. This will be a rare opportunity to buy Polled Shorthorns of unusual calibre and breeding.

These cows and calves all sell in the 1965 Louada sale.
